Miss Mississippi 2018

This month our special guest will be Miss Mississippi 2018, Asya Branch. She was crowned Miss Mississippi 2018 on June 23 after representing her area as Miss Tupelo 2018 in the week long pageant in Vicksburg. The 20 year old daughter of Kristal and Anthony Branch is a native of Booneville, MS and is a junior at the University of Mississippi majoring in Integrated Marketing Communications, leading toward a career in Public Relations. A talented vocalist and dancer, Miss Branch has presented a vocal performance for her talent each of the three years she has competed for the state title. She was twice a Preliminary swimsuit winner. Passionate about relationships with people and particularly attentive to helping others overcome adversity, she has adopted the social impact statement of "Finding Your Way: Empowering Children of Incarcerated Parents." Having experienced growing up with her father in prison, she is determined that other children should not have to overcome the hardships placed upon her because of her father's incarceration. Asya has proven her leadership abilities through her organization and implementation of the Ole Miss student organization "Serving Children of Incarcerated Parents" (SCIP) to activate students to empower school children in the university community, and her initiation of "Love Letters" programs in county jails to provide stationary and stamps for inmates to write to their children. She has authored a children's book, Finding Your Way, to use as a tool for sharing her story and encouraging young children to dream beyond their circumstances. Miss Branch's compassionate heart, her mild manner, and her ability to engage with children and adults alike, make her a popular guest for any school, church, business, or civic organization. Asya was a Quality of Life Finalist at Miss America finishing as second runner up for her work with her platform. We are so pleased to present Miss Mississippi 2018, Asya Branch.
